

CHALLENGE REQUEST FORM

Students who have received advanced standing (transfer credit) for two courses, but have taken additional courses in a government school or other graduate institution that are similar in content to courses in the AGU curriculum, may challenge up to two courses. In order to receive credit through challenge, students must pass the final examination for the course with a grade of 80% or above. The examination must be completed within 45 days of receipt.

There is a \$250 fee charged per challenge to cover the cost of the AGU text materials that are sent to the student with the final examination, and the grading of the examination.

Eligibility to challenge a course(s) is indicated with the advanced standing notification. If a student receives notification of eligibility and wishes to proceed with the challenge of a course, he/she can request a challenge package by completing the form below and either faxing (626-915-1709) or mailing it to the AGU Registrar, Debbie McDonald (debbiemcdonald@agu.edu), American Graduate University, 733 N. Dodsworth Ave., Covina, CA 91724.
