

SCHOOL PERFORMANCE FACT SHEET

Master of Contract Management (MCM)

The California Private Postsecondary Education Act (CPPEA) of 2009, which is effective January 1, 2010, requires under section 94910 of CPPEA that a school provide information for each program offered in regards to completion rates, placement rates, licensure exam passage rates, and salary/wage information. **AGU does not advertise or provide placement services nor does it express or imply that a particular salary may be earned after completing a degree or certificate program.**

Please review the data below and initial and date as well as sign on the last page. Return these sheets in the enclosed self-addressed, stamped envelope. We are required to maintain a copy in each student file.

COMPLETION RATES

Master of Contract Management (MCM) (36 credits)

Calendar Year ¹	Number of Students Who Began Program ²	Students Available for Graduation ³	Graduates ⁴	Completion Rate ⁵	Student Initials and Date Signed
2012	32	32	29	91%	
2013	27	27	27	100%	

¹ Year students are scheduled to graduate if they complete the program within 100% of the published program length (7 years).

² “Number of students who began program” is the number of students who began the program who are scheduled to complete the program within 100% of the published program length (7 years) within the reporting calendar year.

³ “Students available for graduation” is the number of students who began program minus the number of “students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

⁴ “Graduates” is the number of students who completed the program within 100% of the published program length (7 years).

⁵ “Completion rate” is the number of graduates divided by the number of students available for graduation.

PLACEMENT RATES

AGU's programs are not designed or advertised to lead to a particular career, or advertised or promoted with any claim regarding job placement.

EXAM PASSAGE RATE

AGU does not offer programs that require licensure.

¹ "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

² “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

³ Salary is as reported by the student. Not all graduates reported salary.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates; this fact sheet contains the information as calculated pursuant to California state law.
